

Remarks/Arguments

In the Final Office Action mailed on 1 December 2006, the Examiner rejected claims 14 and 16 under 35 U.S.C. §102(b) as being anticipated by Kim (U.S. Patent Publication No. 2002/0053923). The Examiner found all other remaining claims 1-9, 12-13, and 17-20 allowable. Claims 10, 11, and 15 were previously cancelled.

Applicants respectfully traverse the Examiner's rejections. However, in hopes of advancing prosecution of this patent application, Applicants have cancelled rejected claims 14 and 16. These claims may be pursued in a subsequent continuing application. All remaining claims (1-9, 12-13, and 17-20) have been found allowable and thus Applicants respectfully request passage of the remaining claims to allowance and eventual issue.

Applicants believe no fees are due in this matter. Should any issues remain, the Examiner is encouraged to telephone the undersigned attorney.

Respectfully submitted,

Daniel N. Fishman (Reg. No. 35,512)
